

## **ADOPT A HIGHWAY CLEANUP**

Adopt-A-Highway Volunteers (April 2004)

Members of the McKenzie Watershed Council do their share to make sure the McKenzie Highway continues to be a scenic drive, by picking up trash along a two-mile section that the Council has adopted through the Oregon Department of Transportation's Adopt-A-Highway program. If you value the beauty of this scenic road, the Council invites you to get involved with the clean up that occurs twice a year.

For more information about the Adopt-A-Highway Clean Up Day or the projects and activities of the McKenzie Watershed Council, contact watershed council coordinator Megan Finnessy at (541) 687-9076.
