**PUBLIC COMMENT PROCEDURES
MCKENZIE WATERSHED COUNCIL**

Adopted February 14, 2013

A general public comment period of at least ten minutes will be placed on each agenda at the beginning of the meeting. During this session, testimony is allowed on any matter relevant to the Council's mission. The facilitator shall determine relevance. The time limit for comments is three minutes, which can be reduced at the discretion of the facilitator. The facilitator also may allow public comment or questions on specific agenda items as they are addressed, with a three-minute time limit. The facilitator has the discretion to end public testimony if needed to make sure the Council completes its business.

Before members of the public may provide comments, first they must be recognized by the facilitator. Individuals should raise their hands to be recognized and provide their names and the organizations they represent, if any. The Council will require speakers to fill out a public comment card identifying themselves and the topic they wish to address.

Each agenda should include a statement describing these public comment procedures.

COUNCIL MISSION STATEMENT
